*The American* is currently seeking intersectional pieces from activists, scholars, and professionals that address potential legal and social policy recommendations to combat employment discrimination. We are also accepting other forms of expression (e.g. art, interviews, personal narratives, etc.) to hold a healing space for survivors of employment discrimination. If interested, please email [theamericanatwcl@gmail.com](mailto:theamericanatwcl@gmail.com). For more submission information, [click here](#).
